The assessment is a crucial component in analysing teaching-learning process outcome and ensuring attainment of COs and POs. With this concern, College Examination Officer (CEO) provides an overview of the assessment mechanism during the induction programme. For executing transparent and robust mechanism of internal/ external assessment, institute constitute internal examination committee. The committee accomplishes the evaluation process according to university guidelines. Continuous Evaluation Methods (CIE) is the part of internal assessment, for UG and PG courses internal evaluation the institute follows the guidelines laid down by SPPU for CBCS pattern syllabus. The schedule of internal assessments and university exams is included in academic calendar and informed to student at the time of commencement of semester. Various methods are defined for internal assessment as per the norms of affiliated university such as Internal tests, assignments, seminars, oral examination and project work. The internal assessment test schedules are displayed on the notice board and WhatsApp group of the classes in accordance with the academic calendar. On the basis of internal tests performances, students are transparently and regularly evaluated. Faculty frames the internal test questions papers according to CO's, PO's and PSO's which are displayed on college website. Subject teachers discuss answers of internal tests and assignments in regular classes to benefit students during facing examinations with confidence. Institutional library also has repository where students can search previous year university question papers and study material.

End semester examination of all courses is conducted by the university. Faculties and staff of the institute are largely involved in the various examination duties such as invigilation, paper setting, assessment, revaluation, etc. assigned by university from time to time. For smooth functioning of university examinations, committee held the meeting. To make the assessment mechanism fair and robust, hologram stickers provided by university are being used for masking answer sheets. At Institute level, Central Assessment Program (CAP) is implemented for all first-year programs. Appointed CAP director instructs the examiners assessment norms of university. All the Marks entry related to CAP and internal assessments are done on university portal from faculty members log in. After the declaration of the results based on circumstances students can apply for rechecking and photocopy, re-evaluation of their answer papers. Notification of rechecking and revaluation result is displayed on the notice board of the examination department in stipulated time.
