Principal

**Prof. (Dr) S. K. Kushare**  
M.Sc., Ph. D.

Affiliated to Savitribai Phule Pune University Id. No. PU/NS/ASC/047/1993  
AISHE C-42086 NAAC Re-accredited 'B+' Grade (IV Cycle 2023-28, CGPA 2.66)  
Best College Award of Savitribai Phule Pune University Pune in 2009-10 and 2021-22

**Internal Quality Assurance Cell**

**Criterion – VII Institutional Values and Best Practices**

**7.1.2 Policy Document**

**ENVIRONMENT POLICY DOCUMENT**

- ❖ Sustainable development requires proper environmental management. This document through a policy statement clarifies the organization's approach to environmental protection which will be ensured through an environmental audit. Apart from environmental protection activities, environmental policy includes energy management, waste management and water management, which are treated separately considering the importance of each and policies and procedures have been formulated for these subjects.
- ❖ **Policy statement:** - KSKW College of Arts, Science and Commerce CIDCO Nashik pledges to protect the environment by maintaining a green, eco-friendly campus and creating awareness among stakeholders, both individual and community members.
- ❖ **Objectives:** -
  - Promoting environmental protection initiatives
  - To encourage projects on environmental assessment
  - To impart awareness about green clean campus
  - To initiate sustainability practices in the campus and among stakeholders
  - Curriculum enrichment through practical experience
  - Conduct audits for recommendations and continuous improvement
  - Teach sustainable development across all disciplines of study,
  - Encourage research and dissemination of sustainable development knowledge

❖ **Roles: -**

- ✚ Environment Protection and awareness
- ✚ Environment Policy to be implemented in the Campus.
- ✚ Water Meter should be installed and keep the inventory of water resource
- ✚ Waste Management plan should be organized for the campus.
- ✚ Plastic usage can be reduced in college campus.
- ✚ The monthly inventory of e-waste is required to be maintained in formats on regular basis.
- ✚ Implement measures for carbon neutrality.

❖ **Action plan**

- ✓ Observation of various days of importance ozone day, environment day, earth day etc
- ✓ Conduct regular green/environment audit and follow up corrective measures
- ✓ Ensure regular follow up and updates for clean campus practices like proper waste
- ✓ disposal, e-waste campaigning among stakeholders, rain water harvesting and monitoring judicious water usage
- ✓ Instalments of Rooftop Solar Panels

**Internal Quality Assurance Cell**

**Criterion – VII Institutional Values and Best Practices**

**Key Indicator - 7.1 Institutional Values and Social Responsibilities**

**7.1.2 The Institution has facilities and initiatives for**

**1. Alternate sources of energy and energy conservation measures**

**Energy Audit:** Energy audit was conducted in various departments to estimate department wise energy consumption. A campaign was also conducted to identify high energy consuming electrical appliances and equipment in laboratories, class rooms, libraries, offices etc. A detailed inventory of electrical equipment was also prepared through team activity. Currently the organization is implementing a large number of energy conservation measures which include- replacing old appliances with green appliances, using LED lights and switching to solar energy. Roof top solar panels are installed.

- **Laboratories with ventilation provision for energy conservation**
- **Counselling the staff as well as students about saving energy**
- **Promoting low wattage lights (LED bulbs) in the Department**
- **Regular maintenance of electrical appliances to save the energy consumption**
- **Faculty and students keep the lights and fans off whenever not needed.**
- **Instalment of Roof top Solar panels**

**Rooftop Solar panel**

### LED Bulbs

### Solar on Grid Inverter (15.3KW)

**LED Bulbs in the Principal Office**

**Solar Street Lamp**
